ABSTRACT

This directory lists approximately 175 adult education periodicals published in Africa, Arab states, Asia and the Pacific, Europe, North America, Latin America and the Caribbean, and other international areas. Within each category, periodicals are further divided into the individual countries in which they are published. Each entry may provide some or all of the following information: title, publisher and address, editor(s), language(s), frequency, types of contents, subjects covered, cost, indexes, and complementary services. A title index is provided, and an appendix lists other reference material. (YLB)
